About Me

Hi! My name is Raul Calin Savin, I am a Web Developer and I'm very passionate and dedicated to my work. With 3 years of experience, I have acquired the skills and knowledge necessary to make projects I work on, successful. Ongoing training in the programming field is one of my top goals to get more experienced and deliver better results. I have a few hobbies, but mostly I like to travel.

Experience

2017 - 2018

Reading, UK

- Learning the basics of programming from different sources like Codecademy, freeCodeCamp & Udemy.

2018 - Present

Reading, UK.

- Building websites ever since.

Activities

2018 - 2020

Reading, UK.

- Coding meetups : freeCodeCamp - Reading, UK.

Knowledge

- WEBSITE HOSTING
- MODERN AND MOBILE-READY WEBSITES
- GRAPHICS AND ANIMATIONS
- AND MORE
